Mr. Stephen Jurco
President, NCICA
135 South La Salle Street
Chicago, Illinois 60603

Dear Mr. Jurco:

Thank you very much for sending me a check for the hotel expenses in Chicago and for the news clippings on my talk to the NCICA. I am enclosing a couple of copies of the transcript of my talk for your use. I believe that the various talks I have been giving around the country are beginning to have a very favorable impact. Yesterday I received a phone call from ex-Congressman William Bray of Indiana who congratulated me on my NCICA talk. His sister is a member.

It is very good of you to speak out on our behalf in response to those interested organizations. Please know that Director Colby and I, as well as all of the employees of the Central Intelligence Agency, are very grateful for your support. With every good wish,

Faithfully,

Vernon A. Walters
Lieutenant General, USA

Re: NCICA Convention - Chicago

Dear General Walters:

While we certainly have to commend you on the adroit manner in which you made yourself incognito at the NCICA Convention, we didn't want you to go to the full extent of even picking up the tab. You just beat us to that and we feel that the obligation is that of the NCICA. For that reason, the amount of \$68.99, as indicated by your secretary, is being sent to you for the reimbursement of this charge.

We enjoyed your talk very much and do hope that the transcript which was given to you will be duplicated or at least copies of the speech made in order that we may publicize and make use of it in the NCICA affairs. It was indeed stimulating and the reception by the audience and the conversation subsequent to that proved its effectiveness.

I might say also that the publicity, copies of which I am sending here, has caused me to be invited to four different organizations since that time to speak on the CIA. This I did with great pleasure, feeling that anything we can do would be helpful in letting the

Very truly yours,
